# Future For Us

## Growing our future

## Short Term Goals

### Rezone Property and Secure Financing for Consolidated Erven

We are in the process of consolidating all the properties currently owned by West View into one property. Thereafter, rezoning under a general services category certificate will take place. The current bonds will then revert to a medium term loan (MTL) and be reduced by means of FFU contributions. We still wish to acquire the additional 3 adjacent properties on the block to complete the property holding. As these properties come onto the market West View hopes to be able to make an offer on them.

### Brief to Architects

The brief contains all the needs of West View Methodist Church and its ministries. There is a phased plan for implementation on a priority versus available funds basis. The top 4 priorities are a playing field, more parking, improved security and 100 plus more seats in the current sanctuary.

### Sustain Current Church income to avoid drawing from FFU funding

An ongoing campaign will continue to increase support towards the vision by means of congregation wide prayer, participation and pledging.

## Medium Term Goals

### FFU and Giving

This will enable the building of a new 800 seat sanctuary with the capacity to grow.

Freed up facilities can then be converted to meet other ministries' growth needs.

## We invite you to become a part of Future For Us in 3 ways:

### 1. PRAY!

From the moment, 13 years ago, when we had a prayer walk around the residential block we are part of, and prayed for God to bring properties onto the market in God's divine timing, Future For Us has been soaked in the prayers of faith-filled people. Scripture reminds us that, unless the Lord builds the house, we labour in vain. We need you to join us in praying into God's Future for Us.

- Pray for progress in the rezoning process
- Pray for wisdom as we make decisions about the future
- Pray for God's financial provision to enable us to be faithful to the vision

### 2. PARTICIPATE!

We need all hands on deck for the many tasks that need to be done.

- If you have financial, construction, or legal skills
- If you have **contacts** that could be of assistance to us
- If you have **suggestions** that could be fed into the thinking around Future For Us, we'd love to hear from you

### 3. PLEDGE!

We invite you to pledge a regular gift, over and above your tithe and offerings, towards the Future for Us project. All that we have achieved so far has been made possible by the sacrificial, regular giving of ordinary people who have made a gift to the Future For Us fund. A monthly investment, lump sum gift or even a donation of building materials towards the future of God's work at West View will be a sound investment indeed.
