("Rooted Youth" @9h45 until 11h00)

Rooted Term Three

The theme for the next few weeks at Rooted Youth Church is called "Growing Deeper"

Each Sunday's theme is a topic that was submitted by the youth themselves.

We hope that we can grow together in the weeks to come!

Term Three

What an awesome journey it has been so far.

Some highlights from term two include our lesson on the sacraments, as well as each group being hosted at their leaders homes for an afternoon.

We look forward for what is to come this term and are excited for our up and coming camp in August!

Mission and Outreach – Holiday Club

Holiday Club 2nd – 7th July 2017

The Lion King

What a wonderful Holiday club we had this past July Holiday. We really were blessed that we could have so many wonderful leaders and children each day, spending time together in fellowship and worship. We give thanks to the Lord for all the children who had the opportunity to encounter the Lord for the first time, and welcome Jesus into their hearts. Each evening we also had the opportunity to enjoy some time with the leaders arranging some fun events which included a mechanical bull ride, as well as an evening spending time journeying through the stations of the cross.

A big thank you to the entire West View family for all the love and support during this awesome outreach and for making it all possible!

LIFE CHANGE IN OUR YOUTH

Dear Parents of West View

Half way through the year already! We are excited to get the next half of the year underway with term three and four!

We have a lot planned for Rooted Youth this term as we are hoping to make this term highly mission and outreach focussed with the hope that we as the youth in the community can make a difference in the lives of those who are suffering or are in need.

We look forward to an outreach day with Ditshego, which is one of the missions here at West View. We plan to do some garden work and painting, as well as spending some time with the children from Mooiplaas. Playing games together and having some lunch with them.

We will also be starting our December Leadership training camp, selling at mainly the evening service. We look forward to a full and productive term as we continue to grow deeper in our faith.

Prelims on the way!

We would like to say a special prayer for all our matriculants as you prepare for your up and coming Preliminary Examinations. We pray for the Lord's hands to be upon you that you can retain all this year's work, and for strength and determination. For those times when you feel you simply cannot do any more revision or make any more notes that you have the will power and the focus to push through.

New drivers!

Congratulations to all our new drivers! We pray for God's protection and mercy on your travels. Enjoy the well-earned independence, in the words of Uncle Ben, with great power comes great responsibility.
