

West View College was birthed out of "Little Disciples" Pre-School - a ministry of West View Methodist Church, founded in 1977.

Its aim is to positively impact the lives of our children through excellent education centered in Jesus Christ. We endeavor to develop in our learners a sense of integrity, compassion for others, intellect & the love of learning to enable them to achieve their full academic & personal potential.

Why Choose Our Primary School?

Academic Excellence

The National Curriculum CAPS Plus forms the basis of a comprehensive educational roadmap of learning areas including Mathematics, English, Afrikaans, Science, Sepedi and Life Skills. With small classes and one-on-one attention, each learner is assisted to reach their full academic potential.

Curriculum Plus

Enrichment learning areas form a part of the curriculum and are included in the monthly fees. These include Chess, Practical Mathematics, Bible Education, Poetry, Music (Recorder) and Practical Experimental Science.

Physical Education and Sport

Physical education and Sport is essential for the building of character, teamwork and physical development. Sport activities including soccer, cricket, netball and athletics take place during school hours.

Character Development

With Christ at the centre of every endeavour, we strive for emotional, social, spiritual and character development in each learner.

West View College
Pre School / Primary School

Now Enrolling Age 1 - Grade 4

Open Days 2-6pm
24 July / 21 Oct
